Sister Fidelma took it and dismounted, moving across to where the rope that held the body was tied to a lower branch to keep it in place. She had raised the knife to cut it when a sharp cry caused her to turn sharply round in the direction of the sound. Half-a-dozen men had emerged on foot from the woods on the far side of the road.

Absolution by Murder Summary. Absolution by Murder is the brilliant and evocative first novel in Peter Tremayne's Sister Fidelma series, bringing seventh-century Ireland vividly to life. As the leading churchmen and women gather at the Synod of Whitby in AD 664 to debate the rival merits of the Celtic and Roman Churches, tempers begin to fray.

In A.D. 664, when someone murders the Abbess Etain during the synod between the Roman and Celtic churches, Sister Fidelma of the Celtic Church and Brother Eadulf of the Roman church must find the killer and prevent civil war

In A.D. 664, King Oswy of Northumbria has convened a synod at Whitby to hear debate between the Roman and Celtic Christian churches and decide which shall be granted primacy in his kingdom. At stake is much more than a few disputed points of ritual; Oswy's decision could affect the survival of either church in the Saxon kingdoms. When the Abbess Etain, a leading speaker for the Celtic church, is found murdered, suspicion falls upon the Roman faction. In order to diffuse the tensions that threaten to erupt into civil war, Oswy turns to Sister Fidelma of the Celtic Church (Irish and an advocate for the Brehon Court) and Brother Eadulf of the Roman church (from east Anglia and of a family of hereditary magistrates) to find the killer. But as further murders occur and a treasonous plot against Oswy matures, Fidelma and Eadulf soon find themselves running out of time.

ABSOLUTION BY MURDER is the brilliant and evocative first novel in Peter Tremayne's Sister Fidelma series, bringing 7th-century Ireland vividly to life. PRAISE FOR ABSOLUTION BY MURDER: 'In the simultaneously sharp-tongued and full womanly figure of Sister Fidelma, Tremayne has created a heroine whom many readers will willingly follow. Even Brother Cadfael might have tolerated her' Kirkus Reviews As the leading churchmen and women gather at the Synod of Whitby in 664AD to debate the rival merits of the Celtic and Roman Churches, tempers begin to fray. Conspirators plot an assassination, while mysterious, violent death stalks the shadowy cloisters of the Abbey of St Hilda. When the Abbess Etain, a leading speaker for the Celtic Church, is found murdered suspicion inevitably rests on the Roman faction. Attending the Synod is Fidelma, of the community of St Brigid of Kildare. As an advocate of the Brehon Court, she is called on to investigate the murder with Brother Eadulf, of the Roman faction. However, the two are so unlike that their partnership is described as that of a wolf and a fox - but which is which? More gruesome deaths follow and the friction among the clerics could end in civil war. Can the solution to the mysteries avert such a conflict? What readers are saying about ABSOLUTION OF MURDER: 'Superb storytelling from a usually neglected era. Read this and you will certainly want to read the rest of this excellent series' 'I was transported back in time; Peter Tremayne brought the location and characters to life' 'The story moves forward with Fidelma weaving her way through to the end with skill and intelligence. Well worth reading'

Peter Tremayne's Fidelma of Cashel mysteries, set in ancient Ireland, will delight readers with their confounding puzzles and brilliant characters. Here together for the first time are the first three books in the series. Absolution by Murder: In A.D. 664, someone murders the Abbess Etain, a supporter of the Celtic way, during the synod between the Roman and Celtic churches. Sister Fidelma, of the Celtic Church, is assigned to use her legal training and mental smarts to find out who wanted the abbess dead, and why. Along the way she is paired up with Brother Eadulf, who belongs to the Roman Church, and it becomes immediately apparent that there might be more between them, as they work together to find the killer and prevent civil war. Shroud for the Archbishop: Sister Fidelma and Brother Eadulf travel to Rome to deliver a message to his Holiness. But then the Archbishop is found dead, strangled in his chambers, and a monk is observed fleeing the scene of the crime. Convinced of the monk's innocence, Fidelma pledges to help reveal the truth, but instead she stumbles across far too few clues, an abundance of motives, and a trail that is strewn with bodies. Suffer Little Children: Fidelma, sister of Colgu, who has just become the king of Muman, the largest of the five Irish kingdoms, is tasked with solving the mystery of who murdered the Venerable Dacan, a highly respected elder from a nearby kingdom. This death has far-reaching implications for the peace between the kingdoms, and Fidelma must work to find out what happened to Dacan before a bloody war breaks out between the many factions and families of sixth century Ireland.

During a pilgrimage from Ireland to the Shrine of St. James in Spain, a pilgrim disappears overboard, leaving a blood-stained robe behind, and Fidelma of Cashel sets out to uncover the truth before the ship reaches the shrine and the killer can vanish for

An unputdownable mystery of bloodshed and betrayal featuring 7th-century Irish sleuth Sister Fidelma Ireland, AD 671. The hamlet of Cloichín is said to be a veritable Eden, with its prosperous farms and close-knit, friendly community. But after a local farmer, his wife and two sons are murdered, a fanatical new priest orders the villagers to lynch the man accused of the crime. The only evidence they hold against him is the fact that he is a stranger to their land. Searching for accommodation on their journey home to Cashel, Sister Fidelma and Eadulf arrive at Cloichín just in time to save the man's life. Fidelma is determined that the villagers must give the newcomer a fair trial. But there is to be more blood in Eden and more lives will be lost as long-standing friends become new-found enemies, and no one knows who to trust...

Wighard, Archbishop designate of Canterbury, has been found dead, garrotted in his chambers in Rome's Lateran Palace in the autumn of A.D. 664. His murderer seems apparent to all, since an Irish religieus was arrested by the palace guards as he fled Wighard's chamber, but the monk denies responsibility for the crime, and the treasures missing from Wighard's chambers are nowhere to be found. The bishop in charge of affairs at the Lateran Palace suspects a political motive and is wary of charging someone without independent evidence. So he asks Sister Fidelma of the Celtic Church to look into Wighard's death. Fidelma (an advocate of the Brehon Court), working with Brother Eadulf of the Roman Church, quickly finds herself with very few clues, too many motives, a trail strewn with bodies--and very little time before the killer strikes again.

Sister Fidelma-an Eognacht princess and sister to the king of Cashel, a religieuse of the Celtic Church and an advocate of the Brehornn court-is one of the most interesting and compelling figures in contemporary mystery fiction. In this collection of short mysteries, Tremayne fills in many of the background details of Fidelma and seventh-century Ireland not found in the novels, and weaves his always-beguiling mix of history and mystery.

Sister Fidelma returns in the thirty-second Celtic mystery by Peter Tremayne. Ireland. AD 672. The Feast of Beltaine is approaching and the seven senior princes of the kingdom of Muman are gathering at Cashel to discuss King Colgu's policies. Just days before the council meets, Brother Conchobhar, the keeper of the sacred sword, is found murdered. Sister Fidelma and her brother Colgu fear that the killer had been trying to steal the sword that symbolises the King's authority to rule. And as rumours begin to spread of an attempt to overthrow Colgu, news reaches Cashel that a plague ship has landed at a nearby port, bringing the deadly pestilence to its shores. Amid fear and panic, Fidelma, Eadulf and Enda must work together to catch a killer as the death toll starts to mount . . .

In seventh century Ireland, Sister Fidelma is sent to a remote abbey to investigate a murder in which the victim was found clutching both a cross and a pagan death symbol
