We simply need time to execute an idea, and do it well — more time than we have. Don't Read This Book focuses on how to make choices about everything you do in your daily creative practice and life. The book follows the 'ToDon'tList' method: When you say 'no' to one to-do, task, or project, you have more time to execute another one.

We simply need time to execute an idea (and do it well)-more time than we have. Don't Read This Book focuses on how to make choices about everything you do in your daily creative practice and life. The book follows the 'To Don't List' method: When you say 'no' to one idea, you have more time to execute another one.

**Dont Read this Book: Time Management for Creative People**

The title says it aloud: don't read this book. It was much of a disappointment. It is either a prolonged essay or a heavily abbreviated book, and thus not really manage to be either. In the end of the book the writer confesses that the book was originally 45000 words but due to the agreement with the publisher, the book was condensed into 22000.

**Dont Read This Book!** Amazon.co.uk: Lewis, Jill

Excuse #1: I Don't Have Time . Think you just don't have the time to pick up a classic? Take a book with you everywhere and instead of picking up your cell phone, open the book—or e-reader. You can read while standing line, in waiting rooms, or during a train commute. If longer works seem overwhelming, start with short stories or poetry.

**Why We Don't Read: Reasons and Solutions**

Initially, I find it incredibly cool that this high-school student enjoys playing almost as much as she treasures the comfort and camaraderie ...

**When Times Are Particularly Difficult, and You Are Likely to Slip into Despair, Some of the Greatest Pop Songs Can Provide True Comfort to Make it Through the Pain.**

The problem with advice in general is that we often don't take it. The great thing about advice songs is that you can kick back and listen to someone else coach you through a tough situation while rocking out at the same time. This wonderful book lists 250 of the best pop songs for those times that solid life advice is needed. The songs represent all popular music styles from the last fifty years, from rock to folk, and from punk to hip hop. There are for example many times in which the three words "let it be" are words of wisdom. Although the lyrics may have originally been written in reference to interpersonal difficulties within the Beatles, the song does possess a universality that makes "Let It Be" one of the great advice pop songs of all time. Other famous pop music advice to live by: "You Can't Always Get What You Want" by The Rolling Stones "If You Love Somebody, Set Them Free" by Sting "Don't Worry, Be Happy" by Bobby McFerrin "Always Look on the Bright Side of Life" by Eric Idle Don't Eat the Yellow Snow (Frank Zappa) is a collection of all the famous advice songs and many surprises as well. It gives the reader the song titles, painted by hand by the designer, and a striking quote from the song lyrics as well as indices on artist and themes. This well produced, iconic looking album of words of wisdom from pop music is the perfect gift for music lovers of all ages.

Don't Read This Book focuses on how to make choices about everything you do in your daily life and workplace. The book is packed with advice, models and exercises on time management.

The book's hero, a blob of color with arms, legs, and a face, bids readers not to read the book, not to make a funny face, etc., all the while getting very flustered and mentioning rules that must be followed.

The sequel to the highly successful Don't Read This Book - Time Management for Creative People. Like its predecessor, it uses the "To Don't List" method to help you make the right choices - choices that help you achieve your goals as a creative entrepreneur. Don't Buy This Book walks through the necessary steps: testing your idea, getting it ready for business, and building on it. It covers everything you need to get started or improve your business as a creative and offers practical exercises to clarify who you want to be as an entrepreneur.

Mr. Book With No Story wants his pages uncluttered by pictures and plot lines, but images, questions, and ideas keep invading the unruly pages he is trying to police, ignoring his efforts to chase them away. Mr. Book is determined to share nothing with readers, but his pages have other ideas. It turns out that Mr. Book's big fear is having nothing worthwhile to say, but in this fun, zany tribute to the creative process, he needn't have worried. The bumbling blowhard of the first page inspires empathy and affection by the time the last page chimes in. The messages are simple: Stories are fun, and all of us can tell them.

From actor Max Greenfield (fan-favorite "Schmidt" from television's New Girl) comes a hilarious picture book for every child who thinks they don't like to read books (and all the kids—and grownups—who do). Words, sentences, and even worse, paragraphs fill up books. Ugh! So what's a reluctant reader to do? Actor Max Greenfield (New Girl) and New York Times bestselling illustrator Mike Lowery bring the energy and laugh-out-loud fun out for every child (and parent) who thinks they don't want to read a book. Joining the ranks of favorites like The Book With No Pictures and The Serious Goose, this clever and playful read-aloud breaks the fourth wall and will have all readers coming back for laughs again and again!

When the King frantically gallops through Storyland attempting to piece together the fragments of his story that has somehow disappeared, some very unlikely interventions occur and some very familiar faces doing very unfamiliar things appear—and look out for the pea: he's the real star of this show!

In this delicious companion volume to If You're Not Here, Please Raise Your Hand, thirty-seven poems and miniplays celebrate elementary school life and the funny, poignant, wondrous, and telling moments that can happen only in a classroom.

We all need a place to escape from the real world. For Divya and Aaron, it's the world of online gaming. While Divya trades her rising-star status for sponsorships to help her struggling single mom pay rent, Aaron plays as a way to fuel his own dreams of becoming a game developer – and as a way to disappear when his mom starts talking about medical school. After a chance online meeting, the pair decides to team up – but soon find themselves the targets of a group of internet trolls who begin launching a real-world doxing campaign, threatening Aaron's dream and Divya's actual life. They think can drive her out of the game, but Divya's whole world is on the line... And she isn't going down without a fight. "Wonderfully geeky and deeply compassionate." —Marieke Nijkamp, #1 New York Times Bestselling Author

In this delightfully witty, provocative book, literature professor and psychoanalyst Pierre Bayard argues that not having read a book need not be an impediment to having an interesting conversation about it. (In fact, he says, in certain situations reading the book is the worst thing you could do.) Using examples from such writers as Graham Greene, Oscar Wilde, Montaigne, and Umberto Eco, he describes the varieties of "non-reading"-from books that you've never heard of to books that you've read and forgotten-and offers advice on how to turn a sticky social situation into an occasion for creative brilliance. Practical, funny, and thought-provoking, How to Talk About Books You Haven't Read-which became a favorite of readers everywhere in the hardcover edition-is in the end a love letter to books, offering a whole new perspective on how we read and absorb them.
