Even Angels Ask: A Journey to Islam in America. Drawing on his personal experiences as a Muslim, Professor Lang discusses conflicts between faith and reason, obstacles in converting to Islam, extremism within some Muslim communities and future outlook for American Muslims.

Even Angels Ask: A Journey to Islam in America by Jeffrey Lang

A relatively short yet dense book (230 pages), "Even Angels Ask" was not only a journey through Islam in America, but a journey through Islam for myself. Even if I'm reading it 18 years after it has been written (it's almost as old as I am!), I was still able to greatly relate to it. In fact, I believe that we live today in a world that is more "Americanized" and globalized than ever before, which makes the "Journey to Islam in America" key to journeys to Islam all over the world.
