Introduces "260 words and 40 word parts" that are needed for general reading comprehension in high school and college.

This instructor's edition of a vocabulary textbook for college students, who read at the fifth to eighth grade level, features 25 chapters and teaches 250 basic words. The first and third chapters in each unit contain word-part practices. The second and fourth chapters in each unit contain synonym-antonym practices. The book's last chapter in each unit contains an analogy practice, review, and test. Also included is an answer key, a section on dictionary use, and a word list. The student edition is identical to the instructor's edition except that answers are not provided. (CR)

Helps students learn essential words and word parts that are needed for general reading comprehension in high school, college, and the everyday work world.

This book is a guide to teaching English vocabulary to second-language learners. The book is divided into 30 chapters that teach 240 critical words. This vocabulary includes what English-as-a-Second-Language (ESL), adult literacy, and pre-general equivalency diploma students need to get ahead in today's competitive world. The guide's distinctive features include these: (1) an intensive words-in-context approach; (2) abundant and varied practice; (3) a focus on essential words; (4) sensitivity to students' needs, appealing content; (5) a clear format; and (6) helpful supplements. The guide is one in a series that includes "Building Vocabulary Skills," "Improving Vocabulary Skills," "Advancing Vocabulary Skills," and "Instructors Manual." (JL)
