Without thinking, she blurted out, "No, Brother Hagin, I don't! I don't believe I'll ever be healed. I'll go to my grave from this chair." She said it, and she did it. We weren't to blame. We had prayed the healing power of God down on that woman. If she had believed and received that power, it would have loosed her and healed every joint in ...

MILESTONES - THE BUILDING BLOCKS OF OUR LIVES They make us who we are and who we become.... A Milestone is a great achievement in life that cannot be forgotten. One way that will be accomplished is by saying goodbye to the past and hello to the future. No one ever successfully drives forward looking in the rear view mirror. This in itself is a major accomplishment: Letting go of what is behind of the old life and pressing forward and walking into what lies ahead in Christ Jesus. Some typical examples of milestones are when one learns how to drive, graduates from school, leaves home for the first time, marriage, a first child, a first job, getting saved, and for some it could even mean the first day sober! There are three components that make up Milestones: the spoken Word of God, the empowerment of the Holy Spirit and substituting thinking - changing the way we think. This workbook will not just help you to take the right steps towards lasting recovery from addictions, but it will create crucial landmarks in your life's journey. So that you will become full of God's faith and power to venture on into your destiny! Milestones can be used for individual or group growth. Some may just want to work it alone as a personal reflection tool to solidify their faith. But most will benefit from working it together in a support setting where the Milestones can be discussed in depth. People who are in codependent relationships will benefit from Milestones, too. This book also, contains information how to set up a faith-based recovery program. So if you have been searching for a Faith-Based, Spirit Empowered program that emphasizes the Rhema Word of God, then look no further! Milestones is here.

Two distinct theologies of healing as represented by some of the foremost protagonists of the twentieth-century United States are analyzed and a solution is proposed to the tension generated by their differing approaches.

Rev. Hagin begins by explaining who the inner man is, and then points out the difference between the inner witness and the inner voice. Christians can receive guidance through visions. He concludes by illustrating how prophecy can be used for guidance.

No age has been more in need of the Apostle John's advice than ours: "Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world" (1 John 4:1). Many voices call to modern man: "Follow us, follow us!" Unscrupulous cult leaders claim to have supernatural gifts or powers and promise to give peace and fulfillment to those who will follow them. But in reality, they only lead men and women into bondage and unscriptural practices. In Seven Steps for Judging Prophecy, by Rev. Kenneth E. Hagin, you will learn: How you as a Christian can sort out the genuine prophets from the false, How to judge prophecies in the light of the Word, How to be led by the anointing that abides in you. Book jacket.

The Body of Christ is in the shallow waters of a new beginning of God's glory manifested in the earth, but that new wave of God's blessing can only occur as the Body of Christ gets the brass out of the temple!

A person will receive and have in life exactly what he believes for and says.

God has opened doors for believers that no man can shut! But believers must learn to cooperate with the Lord to walk through His doors of opportunity and blessing in life.
