RELATED: The W140 Mercedes-Benz S-Class Was an Overbuilt Luxury Marvel. The 1986 W124 Mercedes-Benz 300E currently listed on Cars and Bids isn't a Hammer or a 500E. But it does have one notable rare feature: a 5-speed manual transmission. In fact, Cars and Bids reports that the W124 was the first and last E-Class available with a manual.

Designed by Mercedes's head of design Bruno Sacco, the W124 range immediately became the benchmark by which medium-sized car models were judged in the late 1980s due to its engineering excellence and high build quality. There was a model to suit every would-be-buyer, from the taxi driver through the family motorist and on to those who were willing and able to pay for luxury and performance. This book covers: design, development and manufacture of all models of W124 including estates, cabriolets and the stylish

Cooperation to build a global human fraternity through his journeys outside the Vatican. This book discusses his endeavours to connect and develop a common peaceful international order between countries, faith communities, and even antagonistic communities through a peaceful journey of human beings. The book analyses his speeches, and meetings as a diplomat of peace, including his visits to Cuba and the United States, and his mediations for peace in Colombia, Myanmar, Kenya, Egypt, Turkey, Jordan, Jerusalem, the Central African Republic, Sri Lanka, and Bangladesh. It discusses the role of Pope Francis as mediator in different circumstances through

his own writings, letters, and Vatican documents; his encounters with world leaders; as well as his contributions to a universal understanding on inter-faith dialogue, climate change and the environment, and human migration and the refugee crisis. The volume also sheds light on his ideas on a post-pandemic just social order, as summarised in his 2020 encyclical. A definitive work on the diplomacy and the travels of Pope Francis, this volume will be of great interest to scholars and researchers of religious studies, peace and conflict studies, ethics and philosophy, and political science and international relations. It will be of great interest to the general reader as well.
