Road Traffic Law in Scotland is an established reference manual for all those involved in the detection and prosecution of road traffic offenses. This edition is fully updated to take into account Scottish legislative and case law developments. This fourth edition includes new, expanded sections on securities, as this is an area which has seen an explosion of litigation and consequently is of increasing importance to the practitioner.

"Hugh Barclay, the Sheriff-Substitute of Perthshire, produces here a comprehensive legal compendium on Scottish highway law. It is the more valuable for the extensive Digest of decided cases, and notes relative to roads following p. 86. Some 375 actual Scottish cases are cited, their essential elements distilled and their outcomes given. The book in its present form had developed from earlier work on the subject. 'This compilation has previously appeared in two separate forms,' Barclay notes, 'and met with very considerable favour. The former editions being exhausted, the compiler has been induced to republish the work in an enlarged form and embracing much new matter.' An earlier version was Barclay's The law of the road. Digest of the General Turnpike Act [...] (Glasgow, 1836)."--John Drury catalogue listing.

Wheatley's Road Traffic Law in Scotland is a highly regarded source of reference for all those involved in the detection and prosecution of road traffic offences with all the relevant law and authority presented in a clear and accessible style. The sixth edition of this authoritative text has been updated to reflect the many legislative changes brought into force since the Road Safety Act 2006. This edition updates case law and takes account of the focused priorities of Police Scotland and guidance by the Lord Advocate on matters such as careless driving. Consideration is also given to statutory changes given further devolution of power under the Scotland Act 2012.

A study of legislative developments in areas of law and policy devolved to the Scottish Parliament.
