Finally--a safe place to talk about sin. The topic of sin in general has been safe for a while. But here, guided by psychologist Michael Mangis, we get specific by learning to know ourselves and our signature sins--the individual and specific patterns of sin in our life that affect our thoughts, actions and relationships. In these pages, the author empathetically and honestly reflects on the ways we manage our behavior to hide our sin and ignore the true poverty of our hearts. But until we deal with the root of our sin, we will be ruled and fooled by it, and miss the freedom Christ died to bring. Exploring common forms of sin and then discovering how our own temperament, culture, family and gender affect the way those sins manifest themselves in our lives will lead us to a place of real honesty with ourselves, God and others. But the book doesn't stop there; it also shows ways to combat our sin so that we can change our hearts, not just our behavior. Sin is serious and specific, and it doesn't go away on its own. But here is serious--and safe--help for facing sin and finding freedom in Christ.

Read Free Signature Sins Taming Our Wayward Hearts

Michael Mangis explores why we get stuck in a pattern of sin by looking at how we repeat one core, or signature, sin again and again. He helps us each uncover that sin, and then looks at gender, personality, family background and other influences that shape our sin, offering further help in breaking sin patterns.

Finally--a safe place to talk about sin. The topic of sin in general has been safe for a while. safe--help for facing sin and finding freedom in Christ.

This book provides a lively introduction to the exciting discipline of evangelical theology. Aligning with the global Lausanne Movement, the authors identify Scripture and mission as methodological centres of evangelical theology. *Evangelical Theology* highlights the key evangelical themes of atonement, conversion, justification, and sanctification, as well as recent developments around trinitarian theology and pneumatology.

This book takes you on a journey that unpacks and demystifies what spiritual growth is and how it unfolds. The aim is to set you on your own path toward genuine, personal spiritual transformation. The book provides all the tools you need--biblical, scientific, and practical--so that you can develop your own pathway for spiritual growth. What is unique about Victor Copan's approach to spiritual growth is that he explores recent findings of brain research as well as scientific research on habit formation and brings them into conversation with the process of spiritual formation. Research on the brain and on habit formation has uncovered significant insights about the process and dynamics of human transformation that can be fruitfully incorporated into our own pursuit of spiritual transformation. Tapping into this

research allows us to work in concert with how God designed humans to function--body, soul, and spirit.

The desire for sexual intimacy reflects the divine image in which human beings are made. This deep yearning for communion resides in both the erotic urge for intimacy and the soul's longing for God. The erotic character of Christian faith and spiritual practice shapes nearly every chapter of Christian history as well as the biblical witness to God's passionate desire to be in communion with God's own creation. Yet few Christians read either the Bible or Christian history through that erotic lens. Before Christian communities try to address sexual ethics, the more fundamental theological question demands attention: What can sexual intimacy tell us about God? This book invites reflection on sexual relationships within a broad theological framework marked by creation, fall, and redemption. These classical hallmarks of Christian faith are proclaimed and enacted at every liturgical celebration of the Eucharist, which offers a compelling way to engage the link between sexual intimacy and the longing for God, or the hoped-for promise of "divine communion."

Jesus tells Peter to forgive "not seven times, but seventy-seven times" (Matt 18:22), and the atoning work of Christ is at the center of Christian thought. Yet many

Read Free Signature Sins Taming Our Wayward Hearts

followers of Christ often struggle with offering or receiving forgiveness. The Face of Forgiveness seeks to address this dilemma and present a way forward. Utilizing contemporary distinctions between shame and guilt, Philip Jamieson shows how traditional Western atonement models have frequently failed to deal adequately with the full extent of Christ's victory. Jesus Christ has answered the problem of both human guilt and shame. It is only in facing Christ that we find our sins forgiven and receive a new identity. The author concludes by offering several strategies to aid Christians in understanding and appropriating the fullness of God's loving and forgiving work.

Understanding Our Story presents a concise introduction to the original, transformative thinking of Adrian van Kaam, CSSp, PhD (1920-2007). While many books are available on "spiritual formation" and "Christian disciplines," no other author of our time has offered such a holistic and comprehensive explanation of Christian formation and its relationship to the human spirituality of all persons. Understanding our Story culls the most seminal ideas and vocabulary from van Kaam's eleven volumes on formation science, formation anthropology, and formation theology, and provides examples of his theoretical-practical research drawn from everyday life, Scripture, Christian writers, and van Kaam's life story itself. In doing

Read Free Signature Sins Taming Our Wayward Hearts

so, it makes his extensive work available to scholars in the field of spiritual formation, and gives all readers the opportunity to utilize his insightful thinking to more fully understand the myriad ways in which God reforms and transforms lives into the image of Christ. In the pluritraditional world in which we live, where so many faith and formation traditions demand our attention, van Kaam's formative spirituality provides a means of respectful dialogue with formationally relevant truths from others and of wise appraisal of ideas that are (and are not) conducive to, and compatible with, the Christian revelation.

Mark A. Yarhouse, Richard E. Butman and Barrett W. McRay offer this revised companion volume to *Modern Psychotherapies*, addressing students and mental health professionals who want to sort through contemporary secular understandings of psychopathology in relationship to a Christian worldview.

The Me I Want to Be by John Ortberg—the bestselling author of *When the Game Is Over, It All Goes Back in the Box*; *God Is Closer Than You Think*; and *The Life You've Always Wanted*—will help you discover spiritual vitality like never before as you learn to “live in the flow of the spirit.” But if God has a perfect vision for your life, why does spiritual growth seem so difficult? John Ortberg has some intriguing answers to that

Read Free Signature Sins Taming Our Wayward Hearts

question, and he has organized his thoughts and God's words into a straightforward and timely guide for living your best life in The Me I Want to Be. This book will show how God's perfect vision for you starts with a powerful promise. All those who trust in God "will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit" (Jeremiah 17:7-8). Ortberg urges you to recognize your brokenness, understand that God is the project manager, and follow His directions. The author first helps gauge your spiritual health and measure the gap between where you are now and where God intends you to be. Then he provides detailed tasks and exercises to help you live in the flow of the Spirit, circumventing real-world barriers—pain and sorrow, temptations, self-doubt, sin—to flourish even in a dark and broken world. As you start living in the flow, you will feel: — a deeper connection with God — a growing sense of joy — an honest recognition of your brokenness — less fear, more trust — a growing sense of being "rooted in love" — a deeper sense of purpose God invites you to join Him in crafting an abundant and joy-filled life. The Me I Want to Be shows you how to graciously accept His invitation.
