Ludwig Wittgenstein's works encompass a huge number of published philosophical manuscripts, notebooks, lectures, remarks, and responses, as well as his unpublished private diaries. The diaries were written mainly in coded script to interpolate his writings on the philosophy of language with autobiographic passages, but were previously unknown to the public and impossible to decode without learning the coding system. This book deciphers the cryptography of the diary entries to examine what Wittgenstein's personal idiom reveals about his public and private identities. Employing the semiotic doctrine of Charles S. Peirce, Dinda L. Gorlée argues that the style of writing reflects the variety of Wittgenstein's emotional moods, which were profoundly affected by his medical symptoms. Bringing Peirce's reasoning of abduction together with induction and deduction, the book investigates how the semiosis of the emotional, energetic, and logical interpretations of signs and objects reveal Wittgenstein's psychological states in the coded diaries.

Winner of the 2021 Bookbrunch Selfie Award for Best Adult Fiction. Meet the Bengali Bridget Jones... If you like British chick lit books with strong women of colour, then this is for you. What the press are saying about The Secret Diary of an Arranged Marriage: "Rebranding arranged marriages", BBC Asian Network "Halima Khatun decided to write a book because nobody was talking. More specifically, nobody was talking about arranged marriages," MyLondon "It'll make you laugh a lot... and maybe cry a bit," Asian Life magazine. Blurp A British-Bengali girl looking for Mr Right. A motley crew of men, some hoping it's them. A mum on a mission to match make. And an age-old tradition with a twist. Welcome to the world of the arranged marriage. "While I'm young, (somewhat) free and single, time is - by Bengali standards - marching on. I've got to meet my dream man, or at least someone I can grow to like, and get married. The trouble is, having never fully fit in with my English friends or Asian community, I don't really know what - or who - I'm looking for. Luckily (or not) for me, arranged marriages are still a thing. So alongside my own dating efforts, it's everyone's business - from my adorable yet overbearing mum, to pretend auntsies and proflitering opportunists - to find me a match. With all this help, I'm pretty sure I'll land a husband, but will he be 'The One'?" The Secret Diary of an Arranged Marriage lifts the lid on the intriguing world of British-Bengali matrimony. The debut novel from former journalist Halima Khatun explores family, identity and belonging with acerbic humour. Not your average arranged marriage romance or British chick-lit, it'll change your view of matchmaking for good... Reader reviews: "This is a great book to read on transport or going on holidays. I finished mine in no time and laughed lots!" "I loved reading this book! Such an enjoyable read which was hilarious at some points but also really highlighted how arranged marriages are viewed from different perspectives, especially in western society. It's hard to find a book that isn't too 'heavy' but also covers important issues and makes you really empathise with the main character - I even shed a tear at one point! This would be great to pack with you for your holidays or for the daily commute, it's a real page turner and is actually very relatable even if the concept of arrange marriages is something you're not familiar with. Highly recommend if you're looking for a fun read but something a bit different from the usual chick-lit." \* "I started this book late one evening and just couldn't put it down! I really enjoyed it. I love the writing style and the self-deprecating humour. it's a real window into a world I don't know at all and I found it fascinating. I'm left wanting to know what happens next!" About the author Halima Khatun is a former journalist (having worked for ITV and the BBC), writer and PR consultant. Since she was a child, she knew that words would be her thing. With a lifelong passion for writing, Halima wrote her first novel - a coming-of-age children's story - at the age of 12. It was politely turned down by all the major publishing houses. However, proving that writing was indeed her forte, Halima went on to study English and Journalism and was one of just four people in the UK to be granted a BBC scholarship during her postgraduate studies. She has since written for a number of publications including the HuffPost and Yahoo! Style, and has been featured in the Express, Metro and other national publications. Halima also blogs on lifestyle, food and travel and parenthood on HalimaBobs.com. This is where she also shares updates on her novels, as well as her author website HalimaKhatun.co.uk. Halima is a regular guest on the BBC Asian Network and frequently contributes to the HuffPost.

This book focuses on girls and girlhoods, texts for and about girls, and the cultural contexts that shape girls' experience. It brings together scholars from girls' studies and children's literature, fields that have traditionally conducted their research separately, and the collaboration showcases the breadth and complexity of girl-related studies. Contributors from disciplines such as sociology, literature, education, and gender studies combine these disciplinary approaches in novel ways with insights from international studies, postcolonial studies, game studies, and other fields. Several of the authors engage in activist and policy-development work around girls who experience poverty and marginalization. Each essay is concerned in one way or another with the politics of girlhood as they manifest in national and cultural contexts, in the everyday practices of girls, and in textual ideologies and agendas. In contemporary Western societies girls and girlhood function to some degree as markers of cultural reproduction and change. The essays in this book proceed from the assumption that girls are active participants in the production of texts and cultural forms; they offer accounts of the diversity of girls' experience and complex significances of texts by, for, and about girls.

From award-winning author Halima Khatun, comes the latest instalment in The Secret series, where the glass half-full heroine navigates her biggest life changes yet, with her unique blend of self-deprecation and acerbic humour. Whatever your age, becoming a mum for the first time brings excitement, anxiety and numerous challenges... But how do you cope when you discover you're old enough to be the mother of everyone in your NCT group? The story of one woman, one baby, a slipped disc and rather too many wrinkles, The Secret Diary of a New Mum (Aged 43 1/4) follows the tale of a midlife mum as she tries to make the transition from experienced TV producer to utterly inexperienced parent. Whether deftly side-stepping questions about age and baby number two, or weeping as younger counterparts ping back into their size ten jeans within thirty seconds of giving birth, Cari approaches the shared experiences of an ever-increasing number of mothers with insight, humour and honesty. \*\*\*Praise for The Secret Diary of a New Mum\*\*\* "Hilariously candid." Daily Mail "Brilliantly observed... funny, embarrassing and yet cruelly honest. It feels good to laugh about it, now the stitches are out." Fay Ripley "Warm, witty and very, very wise the perfect antidote to all those po-faced pregnancy books. As a fellow 'Geriatric Mother' I found myself constantly laughing and nodding along in agreement." Imogen Edwards-Jones

Groomed since the age of eight by his obsessive father Vince Spadea, by most accounts-except Andre Agassi:rsquo;s, who called Vince "a journeyman" at age 25-has been a success. At the start of the 2005 season, 19th seed Spadea was the only over-30-year-old player besides Agassi to be ranked in the top-20 on the world professional tennis circuit. Now in his 13th professional season, Spadea gives a riveting account of the ultra-competitive and often hilarious world of a pro tennis player. He battles injuries, coaching and agent changes, and a slight from American Davis Cup captain Patrick McEnroe as he continues his improbable climb back up the rankings. Along the way, he considers taking two months off to appear on The Bachelor, practices with a still combative John McEnroe in a New York City tennis club, and prowls LA parties with his buddy, comedian Jon Lovitz, trying to pick up actresses like Natalie Portman and jump start his fledgling acting career. Agassi, Andy Roddick, Roger Federer, Rafael Nadal, Martina Navratilova, Maria Sharapova, Jennifer Capriati, Tim Henman, and Marat Safin are all analyzed in more colourful and personal terms than the tennis media has ever provided. In these pages, Spadea breaks the taboo of the "whatever you see, hear and do here, stays here" locker room mentality.

This book builds on cognitive stylistics, humour studies and psychological approaches to literature and film to explore the emotional aspects of humorous narrative comprehension. It investigates how the linguistic features of comic novels and short stories (by, for example, Douglas Adams, Joseph Heller and Nick Hornby) can shape readers' experience of comedy, considering the ways in which moods, characters and the plot is used to trigger blends of positive and negative emotion. The book offers an approach to such features of comedy as dark humour, cringe humour and comic suspense, emphasising the relationship between humorous language and mental states which are typically considered serious. Agnes Marszalek's focus on the non-humorous side of experiencing comedy offers a key contribution to the study of humorous narratives. By investigating humour as part of a narrative world, this book moves towards addressing the complexity of the experience of humour in narrative texts, providing implications not only for the linguistics of humour, but also for those approaches to discourse comprehension which explore the affective side of engaging with texts.

The Heinemann Plays series offers contemporary drama and classic plays in durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This play is an adaptation of the humorous diary of a young intellectual, suffering the traumas of love, parental divorce and spots.
