The Beaufort Family. The House of Beaufort descended from the illicit union of John of Gaunt, Duke of Lancaster (1340 - 1399) and his mistress Katherine Swynford, the family played an important role as staunch Lancastrian supporters during the fifteenth century Wars of the Roses. The surname Beaufort derives from a castle owned by John of Gaunt in Champagne, now Montmorency-Beaufort.

~~The Beaufort Family. - English Monarchs~~

Duke of Beaufort, a title in the Peerage of England, was created by Charles II in 1682 for Henry Somerset, 3rd Marquess of Worcester, a descendant of Charles Somerset, 1st Earl of Worcester, legitimised son of Henry Beaufort, 3rd Duke of Somerset, a Lancastrian leader in the Wars of the Roses. The name Beaufort refers to a castle in Champagne, France. It is the only current dukedom to take its name from a place outside the British Isles. The Dukes of Beaufort descend in the male line from the Ho

John of Gaunt's illegitimate line whose role in the Wars of the Roses led to the capture of the crown.

John of Gaunt's illegitimate line whose role in the Wars of the Roses led to the capture of the crown.

Explore a fascinating look at the three pretenders to the Tudor throne - Simnel, Warbeck, and Warwick.

The Wars of the Roses were not just fought by men on the battlefield. There were daughters, wives, mistresses, mothers and queens whose lives and influences helped shape the most dramatic of English conflicts. This book traces the women's stories on the Lancastrian side, from the children of Blanche, wife of John of Gaunt, through the turbulent 15th century to the advent of Margaret Beaufort's son in 1509, and establishment of the Tudor dynasty. From Katherine Swynford and Catherine of Valois's secret liaisons to the love lives of Mary de Bohun and Jacquetta of Luxembourg, to the Queenship of Joan of Navarre and Margaret of Anjou, this book explores how these extraordinary women survived in extraordinary times.

By turns subversive and darkly comic, brutal and tender, Ron Leshem's debut novel is an international literary sensation, winner of Israel's top award for literature and the basis for a prizewinning film. Charged with brilliance and daring, hypnotic in its intensity, Beaufort is at once a searing coming-of-age story and a novel for our times-one of the most powerful, visceral portraits of the horror, camaraderie, and absurdity of war in modern fiction. Beaufort. To the handful of Israeli soldiers occupying the ancient crusader fortress, it is a little slice of hell-a forbidding, fear-soaked enclave perched atop two acres of land in southern Lebanon, surrounded by an enemy they cannot see. And to the thirteen young men in his command, Twenty-one-year-old Lieutenant Liraz "Erez" Liberti is a taskmaster, confessor, and the only hope in the face of attacks that come out of nowhere and missions seemingly designed to get them all killed. All around them, tension crackles in the air. Long stretches of boredom and black humor are punctuated by flashes of terror. And the threat of death is constant. But in their stony haven, Erez and his soldiers have created their own little world, their own rules, their own language. And here Erez listens to his men build castles out of words, telling stories, telling lies, talking incessantly of women, sex, and dead comrades. Until, in the final days of the occupation, Erez and his squad of fed-up, pissed-off, frightened young soldiers are given one last order: a mission that will shatter all remaining illusions-and stand as a testament to the universal, gut-wrenching futility of war. The basis for the Academy Award-nominated film of the same name.

The arrival of a band of Spanish mercenaries brings new danger for Margaret Beaufort and the House of Lancaster in this richly-imagined medieval mystery. November, 1471. With Edward of York on the English throne and her son, Henry Tudor, in exile in Brittany, the newly-widowed Margaret Beaufort, Countess of Richmond, is alone, without protectors. All she can do is wait and watch, planning for a time when she's in a position to make her move. But new dangers are emerging. En route to England is a band of Spanish mercenaries known as the Garduna. With no allegiance to prince, prelate or people, they are a lethal fighting force, utterly ruthless and implacable killers. But who has hired them . . . and why? The discovery of the body of an unexpected visitor, found murdered in a locked room in her London townhouse, heralds the start of a series of increasingly menacing incidents which threaten Margaret and her household. Is there an enemy within? It's up to Margaret's wily clerk Christopher Urswicke to uncover the truth and ensure Margaret survives to fulfil her destiny.

London, 1471. The War of the Roses rages on. Edward of York has claimed the English throne and his Yorkist supporters gleefully slaughter their adversaries; there's no mercy for anyone who supported the Lancastrian cause. Margaret Beaufort - mother of Henry Tudor, the only hope for the House of Lancaster - knows her enemies are closing in. Desperate for help she turns to Christopher Urswicke for protection. But when ruthless scheming and pitiless killings are the only routes to survival, Urswicke will have to choose where his loyalties truly lie.

An "impeccably researched and beautifully written" biography of Lady Margaret Beaufort, matriarch of the Tudor dynasty (Tracy Borman, author of The Private Lives of the Tudors and Elizabeth's Women). In 1485, Henry VII became the first Tudor king of England. His victory owed much to his mother, Lady Margaret Beaufort. Over decades and across countries, Margaret had schemed to install her son on the throne and end the War of the Roses. Margaret's extraordinarily close relationship with Henry, coupled with her role in political and ceremonial affairs, ensured that she was treated -- and behaved -- as a queen in all but name. Against a lavish backdrop of pageantry and ambition, court intrigue and war, historian Nicola Tallis illuminates how a dynamic, brilliant woman orchestrated the rise of the Tudors.

In Tales of Beaufort Nell S. Graydon introduces the reader to historic homes and families of Beaufort, South Carolina, and the neighboring Barrier islands. Graydon was a master at weaving the past and present, and her tales stand as an important example of the art of informal biography. Eugene B. Sloan's photographs

superbly portray the spirit of the times. Book jacket.
